## 16 Year Plan to Destroy America

2008-2016 Barrack Obama, First 8 years, Goal: Weaken USA Globally

## 1. Install Rogue Operators in Government

Sacred bloodlines make up the pyramid of the Cabal/Illuminati they are the main Puppet Masters. The Rothschilds, scam the world with a fake fiat central banking system using debt and usury. It is rumored that they own the Federal Reserve. This is a privately owned bank and yet is accepted in America as a normal government entity. They are also connected to the Vatican through long standing loan debts. The Rockefellers controls the oil and "pipelines". The Morgan's control the Gold. These names make up the top 3 of the pyramid. Wallenberg is above them on the pyramid and the all-seeing eye at the top is Queen Elizabeth II.

The next part of the pyramid was the House of Saudi including Prince Alwaleed bin Talal. House of Saud, whose family originated in Jewish roots, was involved in major sex trafficking and connections through Big Tech. Their corrupt connections were cut in 2017 when Prince Muhammad Bin Salman took over the throne. Some Saudi royal members like Alwaleed were heavily involved. Dr. Khalid al-Mansour and Alwaleed were responsible for Barack Obama's Harvard education through "HUMA", Harvard University Muslim Alliance and his connections put him and Obama's Former Senior Advisor Valerie Jarrett in the White House.

George Soros and his organization Open Society also connected through the Clinton Foundation, comes next with funding organizations responsible for supporting the Cabals agenda. He funds the International Consortium of Investigative Journalists (ICIJ) & Fake News. Connections such as all the Dominion/Smartmatic voting machines, Pharma/Vaccines, DLA Piper, Perkins Coie, Loop Capital, Crowdstrike, Fusion GPS, Microsoft, Red Cross, Red Org, BLM, Antifa, Big Tech/Silicon Valley, Big Oil, Muslim Brotherhood, MS13, ISIS, climate change funding and many others. He is responsible for Hillary Clinton's placement as Secretary of State.

This top part of the pyramid is also connected throughout the world. Starting in the UK with the Royal Family it then branches out through Europe and the United States & North America, Europe, Asia, Australia, South America and Africa. The Cabal > Deep State is also heavily imbedded in UK, Israel, US, China, Russia, Ukraine, North Korea, Iran, Pakistan and other areas. These heavily imbedded areas include connections to intelligence agencies in each of these regions, a few examples are the CIA, MOSSAD, MI6 and Russian Intelligence. A percentage of agencies are involved

with using sexual blackmail to help the Cabal control governments around the world. They spy on every which means they have the dirt on everyone.

Q4799 - When does a Church become a playground? When does a Church become a business? When does a Church become political? When does a Church become corrupt? When does a Church become willfully blind? When does a Church become controlled?

The Illuminati Satanic cult and the NWO are also connected to the Vatican. The Vatican, like the City of London and the District of Columbia, are considered separate corporations. They have their own ambassadors and police. The Vatican and the Illuminati Cabal worship the devil. They have hidden a lot from the world in the Vatican archives. The Vatican controls the world through Religion, the City of London controls it through currency, and DC controls the Military Force. Their goal is to ultimately set up a New Jerusalem Temple of Lucifer with one world government and one world religion. The Freemasons are deeply embedded inside the church, especially through the World Council of Churches. The Catholic Church and The Freemasons will use a smoke screen of a long standing war between them to ward off anyone looking for current connections between the two, but it is just a façade.

The Cabal > Deep State uses money and force for control. They have a network of spies and blackmail to accomplish this. They use the spying info and (Shipping Container Missiles) from an armada of ships, against people get it done. Their D5 Last Resort plan also includes a Solar Coronal Mass Ejection CME along with missiles to maintain that their secrets never get out. They would rather destroy the world than let the truth be known.

Q100 - Who is the Queen of England? (Queen Elizabeth II) How long in power? (68 years) With power comes corruption... ...Wealth. Corruption. Secret society. Evil. Germany. Merkel. Migrants. Why are migrants important? Assets. What are assets? Define assets? Why are migrants so important? What are assets? Why are migrants so

important? What are assets? ? (Assets are usually missing children picked up by the Cabal and groomed into whatever they need to be, like Mockingbird media or politician or Hollywood pop star) Why are migrants so important? (Migrants are used as assets, no one will miss them) Operations. Satan. Who follows? (The Cabal) What political leaders worship Satan? (Hillary and Bill Clinton, John Podesta) What does an upside down cross represent? (Baal. Satan. Molech.) Who wears openly? (Chelsea Clinton) Why? (She worships Satan) Who is she connected to? (Hillary & Bill Clinton) Why is this relevant? (She was groomed into it) Spirit cooking. What does Spirit Cooking represent? (Satanic Rituals and Worship, Child Sacrifice) Cult. What is a cult? (A group of people whose religious practices are regarded by others as strange or sinister) Who is worshipped? (Baal. Satan. Molech.) Why is this relevant? (Human sacrifices are used to increase power) Snow White (CIA Spy Operations) Godfather III (Vatican corruption involved) Speed. Q

###

The CIA/MOSSAD use "Madams" like Alex Adam, Heidi Fleiss, Allison Mack and Rachel "Ray" Chandler to gather assets and groom victims for sexual blackmail. For example, Ray Chandler was used at locations like the Standard Hotel and Epstein's Island. She is connected to the Rothschilds through her Hollywood friends like Nicky Hilton. She has many connections to Hollywood, Royals and Government leaders as well as Satanic connections like "spirit cooker" Marina Abramovic who was outlined in the Podesta emails. Madams like her use blackmail to secure power around the

world for CIA/MOSSAD with evidence, filmed or otherwise of powerful individuals doing unconscionable things. Already shown by Allison Mack's involvement with NXIVM, she was the Madam for that cult and groomed victims in much the same way as sex slaves and Ray Chandler = Allison MACK x 100. Mack was also connected to the Rothschilds through the Bronfman family. Britney Spears may have been a victim of their grooming and her recent Instagram posts imply she may tell their secrets. They openly flaunt their satanic symbolism in art, hand signals, jewelry and many other ways thinking no one will ever figure out their secrets but this symbolism will be their downfall.

Q9 - ...D's (Deep State) can't lose control over the black population. (satanic Hollywood/music industry) At some point the great awakening will occur whereby these false local / ~~national~~ black leaders are corrupt and paid off to help keep the black pop (satanic Hollywood/music industry) poor and in need. D's (Democrats) formed the confederate states against freeing slaves. D's (Democrats) formed the KKK. HRC's mentor is who? (Senator Robert Byrd) What happens if the truth about Haiti is released? (They lose control. The world wakes up to their trafficking scheme) Do D's (Democrats) lose majority of the vote? Through the looking glass. They rely on the MSM to keep the narrative going but tech is entrenching on their controls. They missed this in 2016 and desperately attempting to censor now due to CIA cash infusions. This will fail.

Q19 - ...What happens if D's (Deep State) lose the slave grip on the black pop (satanic Hollywood/music industry)? Why do D's, through the funding of the CIA, prop up and install Hollywood/media assets? (control) Does this fall within Operation Mockingbird? (yes, asset placement) What were the historical advantages D's (Deep State) gained by having MSM and famous people peddling narrative? (control human population) Who exposed the pedo network within Hollywood? You can't answer the above but will laugh once disclose details. The network which controls this false narrative which in turns keeps the black pop (satanic Hollywood/music industry) under control is being dismantled...

This lines up with the CIA/MOSSAD honey pots like Rep Adam Schiff's Standard Hotel, where he and his friend's rape and murder children. Others are Epstein's Pedo

Island with help from Ghislaine Maxwell, the 3 Adrenochrome HUMA Ghosts Ships of child sacrifice & Hugh Hefner's playboy scheme, all to control Hollywood, Politicians and World Leaders to stay in power. This is one reason our government is the way it is now, corrupt and blackmailed beyond repair.

Q160 - You guys are missing the importance of Hugh Hefner! Think of it this way.  
>Hugh invites over celeb/politician >Hugh offers them "something younger" >Hugh offers them a "safe space" to do it in >Hugh tapes encounter >Sends tape to CIA  
>CIA has person by the balls for LIFE. This is MAJORLY IMPORTANT to what has been keeping people in control for so long!

CIA/MOSSAD agents Jeffrey Epstein and Ghislaine Maxwell committed many of these crimes on Little St James Island. The DOJ has evidence of it and it may even be part of Declas, many exhibits detail what FBI/DOJ/SDNY knew about the duo. Maxwell is also going through court proceedings to allow her evidence to become public as well. Once released this would allow for another Executive Order, 13818 Blocking the Property of Persons Involved in Serious Human Rights Abuse or Corruption, to apply. Any Government official or person acting for or on behalf of such official, found to be responsible for or complicit in or to have directly engaged in, serious human rights abuse, their funds will basically be blocked.

The Deep State has a history of "painting the roses red". They make lots of mistakes and need to "fix things" when they leak out. All the laptops, like Hunter Biden's and Anthony Weiner's, have massive evidence of their heinous crimes against children and treason. NYPD officers were murdered because they saw this evidence on Weiner's laptop. The Deep State also has control of Southern District of New York SDNY which explains why they are always going after Trump and always able to control the justice system from that area with the ship missile system.

State Secrets Privilege, States v. Reynolds decision in the Supreme Court, is how the Military Intelligence Complex hides from other branches of the government, including Presidents. The Deep State is running amok in our government by funneling money into special access programs. They spy on everyone, which allows

for blackmail. Similar laws are used in other countries as well and they can get away with anything by applying the law. Bush 1, Bush 2, and Truman had a hand in setting it up this way. It's another reason 9/11 was created, so they could set up more laws like the Patriot Act as a power grab. George Soros, who is a Rothchild's Cabal puppet, has his money tied into the democrats and media. This fact and States Secrets Privilege is how the Cabal stays in control of our government.

## 2. Leak Classified Intelligence & Military Secrets

According to Wikileaks, leaked intel was received by China via Hillary Clinton's private bathroom server. Clinton used a personal email and computer to conduct official government business which goes against government policy. It was set up with limited security hardening which made it vulnerable to intrusion and theft as early as March 2013. She used non-government IT staff to maintain it as well which also goes against government policy. Germany and South Korea also had access to the server.

Pakistani nationals, the Awan's also had access to the DNC servers since 2004 through 2016. The servers collected congressional information and stored on servers in Pakistan.

## 3. Cut Military Funding

Budget Sequestration during the Obama administration seriously crippled the US Military according to publicized statistics by the House Armed Services Committee published on March 22, 2018. The Air Force was short 2000 pilots, barracks were "mold-ridden", the average age of Air Force planes was over 27 years old, condemned hangers and contaminated water were just a few of the issues the military faced.

## 4. Weaken Command of Generals

During the Obama administration, the "don't ask don't tell" policy was repealed, transgenders were allowed in and women in combat was pushed. This created weakened commands in the US Military. A military report called The Marine found

that units were less lethal, slower and more injury prone when transgenders were allowed. Females in combat cause a weakened state as well because men may be picking up the slack and foreign fighters are indifferent to women in combat, so more women die as a result. The possibility of shared bunks between genders increases which would cause more issues for commanders. Overall, the policies created a less capable fighting force.

In 2017, President Trump imposed high tariffs on Chinese steel and aluminum imports. Steel has a 25% tariff and aluminum 10%. The US Trade Representative USTR also started an investigation under Section 232 regarding US national security on the effects of Chinese steel and aluminum. Senator McCain strongly opposed the tariffs, claiming it would damage relations and hurt American workers.

Q883 - ...Was necessary. China produces 10x as much steel as US. What if war breaks out? Matter of national security, geopolitics ...to prevent war, peace through strength. + deliberate performance issues to impact military / infrastructure. We were sold out. You have so much more than you know. Q

Q855 - ...What if the steel used for military-grade projects was made-inferior by our enemies as a method to weaken? What if Hussein knew and authorized? Renegade. How many Marines volunteered to serve Hussein during his term? Why? What if his name we don't say organized the deal? The US taxpayer subsidizes the WORLD. AMERICA has been sold to the highest bidder. AMERICA has been weakened on purpose. The depths of their TREASON is unimaginable. Pure EVIL. HELL on earth - HRC victory. Q

##### 5. Kill NASA Space Supremacy & EMP Risk

NASA was cut and private CIA/MOSSAD Elon Musk's Space X replaced it during the Obama administration. Space X has a poor performance history engine failures and missing cargo. This lessened our missile technology shared with the US Military which weakened our national defenses. Civilian infrastructure became more vulnerable to electromagnetic pulse EMP as a result. NASA provided support for solar data from the Solar Optical Observing Network and Radio Solar Telescope Network,

without these programs EMP Risk became higher. Loss of power would have major implications to national security.

## 6. Remove Good Guys from Government/Law

Valerie Jarrett, a Progressive/Marxist extremist, was used as a sniffer, according to Webster, “a dog that is trained to recognize and follow scents especially for the purpose of locating people or contraband (such as illicit drugs and explosives)”

Jarret is in charge of “the trigger” on the ship missile system, she uses a phone to direct message, John Brennan, regarding the warhead missile, Ship Placement and the marker to be killed using the ships. (Q1828)

She is Iranian and her father was a Soviet spy, and her father-in-law Vernon Jarrett was also connected to Dr. Khalid al-Mansour representing the Saudi Royals. Vernon was also a political associate of the Communist Party USA and Obama mentor. Her Uncle and Grandfather were also leftists and have Islamic connections.

Our police are under attack:

Q4382 - **POLICE** ordered to stand down by [D] (Democratic) mayor(s) [D] (Democratic) gov(s) (governors) ? ANTIFA **[coordinated]** SAFE ZONES? Q

Q2683 - ...1. Dilution of citizen voice 2. Dilution of citizen vote 3. Dilution of national independence >**POLICE** turned against its own citizens >Citizens turned against its own **POLICE** >People v People Controlled media > prevent mass awareness If the news doesn't report the facts (i.e., truth) - how do people get informed in order to be heard? Silence the people. Localize disruption. Target leaders of disruption (quietly take action). Deploy scare tactics & political cross-talk Control volume. The media no longer represents the will of the people.

Q2646 - ...D's (Democrats) attempt to turn the public against our police, ICE, and those who continually serve the public interest (protect)? Open borders w/ no Immigration & Customs Officials to safeguard the people? EU gov't attempt to turn the police against the people re: yellow vest protests? Police vs People \_ EU (and US) D's (Democrats) attempt to sway public vs Police/ICE \_ US A war against GLOBALISM. A war to retain SOVEREIGNTY. DIVIDE THOSE WHO POLICE & SAFEGUARD AGAINST THE PEOPLE THEY ARE SWORN TO PROTECT. CHAOS. MAKE THE PEOPLE FIGHT THEMSELVES VS ORIGINAL TARGETS (OLD GUARD) (Cabal/Elite). FAKE NEWS push of racism, fascism, sexism, every other ...'ism' etc.... against those seeking to END GLOBALISM in favor of NATIONALISM (pride of heritage and culture - preservation & security/safety) is DESIGNED TO KEEP YOU SUBMISSIVE...

## 7. Special Access Programs Selloff

Hillary Clinton purposely used outside servers and a Shadow IT Bryan Pagliano and possibly others who did not have clearances to leak Special Access Programs SAPs information out. Using her personal email also allowed her to avoid and FOIA requests since she wasn't using an official government email. Obama knew about the servers and condoned it. SAPs are the most clandestine activities and are designated above Top Secret and many emails had "born classified" information on them, meaning classified from the start. IG reports showed some emails on the servers were there as early as 2009. The IG report was also modified and redacted by Rod Rosenstein which left out additional classified information. President Trump's attempt to declassify original unredacted report were met with the Cabal > Deep State threat of RR/Rockets/CME/Missiles and could not be released.

When asked to produce the email evidence, Hillary Clinton deleted approximately 30,000 of the 60,000 emails and her servers were wiped clean, showing intent to deceive.

The classified information leaked did irreparable damage to national security since some contained information on the Drone program and also had names of CIA, NSA and other intelligence officers in them. The Comey FBI report, altered by Peter Stzrok, on the matter downplayed the incident from "gross negligence" to "extremely careless", helping to cover up her crimes.

Clinton was also allowing political access for donations to her Clinton Foundation CF, known as “pay for play”. CF has also been accused of money laundering in the past. Also, Romanian Marcel-Lehel Lazar aka Guccifer was able to hack into Sidney Blumenthal’s AOL account that showed correspondence to Hillary Clinton as early as March 2013. There appears to be a history of allowing access to information.

The State Department was also used for spying for Clinton. According to Wikileaks, diplomatic cables were released in 2010 outlining the spying on foreign diplomats including the UN. This information was also stored on her bathroom server.

## 8. Weaken NSA & Reveal Programs

In 2013 CIA/MOSSAD Edward Snowden purposely leaked NSA spy programs, DARPA/PRISM/IQT/KEYSCORE to weaken the NSA because the NSA had dirt on all the political corruption/human trafficking in DC including the leaking of classified information to China from Hillary Clinton and the Obama administration. He fled to China and then ultimately Russia to wait out the rest of the operation. The plan was for her to win the election so CIA Director John Brennan could bring Snowden home. They never thought she would lose but President Trump won, and CIA Director Gina Haspel replaced Brennan.

Snowden went to Russia and provided the NSA source code to Shadow Brokers located there. Shadow Brokers are Russian Intel. They leaked the actual code on a Twitter account called “theshadowbrokers”. Kaspersky Lab, who also has KGB ties through owner Eugene Kaspersky, strengthened the NSA connection further after the incident. Kaspersky Lab was the security firm that “discovered” the Red October malware campaign in 2013. This is a multiyear cyber espionage campaign, created by Chinese and Russian operatives, that targets computers/phones in government agencies, embassies, nuclear research centers and the military.

Q2006 - 2nd Snowden. The US Department of Justice may charge a former NSA contractor with espionage after discovering top secret documents and enough highly sensitive data to fill 10,000 DVDs at his home in Maryland. Retired US Navy officer Harold Thomas Martin III, 51, has been dubbed ‘the second Snowden’ by the press. He worked for Booz Allen Hamilton, the same firm that employed the famous

whistleblower who revealed global surveillance programs run by the US. [https://www.rt.com/usa/363634-martin-nsa-data-espionage-act/...](https://www.rt.com/usa/363634-martin-nsa-data-espionage-act/)

## Geo location

Whistleblowers: The signaling method, a phone, used to launch a missile from the ship missile system, to deter anyone speaking out against the Cabal>Deep State. SecureDrop, hosted by Apache, was an open-source whistleblower program that allows the media to install and accept testimony from anonymous sources. The CIA was actually in charge of the program so this helped them to weed out and eliminate whistleblowers like John Perry Barlow, an internet free speech pioneer.

## 9. Target & Weaken Conservative Base

In 1996 the Telecommunications Act led the FCC to reduce regulations on cross ownership. Since then, 5 Corporations own 90% of the media, including films, newspapers, magazines and books. AT&T, Xfinity, Disney, News Corp and National Amusements. All of these except for National Amusements is owned by BlackRock and Vanguard by majority shares. Vanguard shareholders include elite like the Orsini's, the Bush's, the DuPont's, the Morgan's, the Vanderbilt's, the Rockefeller's, the Rothschild's, the Wallenberg's and the British Royal Family. And Vanguard is the largest shareholder of BlackRock.

Control of the media means control of the population. Using propaganda to create and shape the narratives they want you to see which at the moment is far left. This bias weakens the conservative base with constant attacks and lies from this left-wing media.

Social Media and Big Tech are also under the control of CCP, CIA/MOSSAD. Lifelog was a project of the Defense Advanced Research Projects Agency (DARPA) of the U.S. Department of Defense (DOD) that captured the flow of one's personal experiences and interactions and makes them accessible using Artificial Intelligence AI. The project was supposedly canceled at the same time that Facebook was created in 2004.

DARPA>LifeLog>FB. And Facebook even employed DARPA employees. Factor in other Big Tech involved with DARPA like Google, Twitter and YouTube, all on an Amazon cloud contract and you have the makings of a massive surveillance system. Embed these unremovable programs on Apple and Android devices and the Deep State can capture anything, anywhere. Especially since the inception of the Patriot Act after 9/11 which allowed for this type of massive surveillance. And FISA taught us how much they love to spy and how easily they can do it. Some owners seem to have connections to China or the Deep State, like Facebook's Mark Zuckerberg's wife is a Chinese national, Googles founder Sergey Brin was married to 23andme's founder Anne Wojcicki whose sister is Susan Wojcicki the CEO of YouTube. Even when Facebook is being investigated by the SEC for insider trading, the SEC Acting Director of the Division of Enforcement is Melissa Hodgman which is Peter Strzok's wife.

Not only do they spy on everyone, but they also use Big Tech to censor everyone as well. It's also used as a propaganda tool like the CIA/MOSSAD Mainstream Media. These information warfare tools were used to "defeat disinformation", at least their idea of disinformation, in the election and other key topics like news of Hunter Bidens Laptop, that they deem necessary to control. Suppression of legitimate news sites like Breitbart, New York Post and many others. Use of "Fact Checkers" to support their own narrative at the same time allowing CIA/MOSSAD Mainstream Media the far left news. Legitimate news about the 2020 election results/audits or Covid-19 is severely moderated.

Sites like Facebook, Instagram, Snapchat, WeChat and Twitter are used for sex/human trafficking too, while Big Tech claims immunity through Section 230. Twitter was even sued twice by underage victims that were trafficked through its website. Twitter knew about it and refused to remove the material and instead sent a response that the material did not violate any of their policies.

They are allowed to get away with these horrific acts as well as ban citizens of the world including President Trump from free speech due to law loopholes like Section 230 of the Communications Decency Act which claims Big Tech is protected from these actions because they are not publishers. Before leaving office President Trump signed an Executive Order on Preventing Online Censorship that basically made Big Tech a publisher, he also has filed a major class action lawsuit which allows anyone

that has been banned for censorship to join in. However, we still have the threat of the ship missile system that can delay such actions.

Our Deep State Shadow Government, under Wallenberg's direction, also conspired to create the 9/11 false flag terrorist attacks and killed thousands to start endless wars, spy on Americans, funnel money to their special projects, and destroy constitutional laws. Look here, not there. They also use tactics like political discrimination to keep us divided: race vs. race, gender vs. gender, sexual preference bias. Structural racism is the basis for Critical Race Theory CRT which is a type of systemic racism that explains all inequities between racial groups. Focusing on impartial justice that white Americans are responsible for keeping minorities down as well as natural rights deserved for these minorities. Redistribution of wealth, power and influence is the only way to repair these inequities. This has permeated through our military and school systems and causes more division than unity. Marxist in nature, it goes against the Constitution's neutral principles of equality. We are so busy fighting each other that we don't see what they are up to. The Ukraine, North Korea, Iran, Russia, China and Israel are main countries controlled by the Deep State. Keeping us at war keeps money in their pockets and the ability to control the world.

The IRS actually apologized for targeting conservatives in 2012. It was an election year, and they were flagging political groups for additional review to see if they violated their tax-exempt status using a “Be on the lookout” BOLO program that searched keywords like “Tea Party” and “Patriot” which pulled up more than 75% conservative accounts . Lois Lerner the head of the tax-exempt IRS department that was targeting conservative groups did so from 2010 through 2013, she appeared to be acting under the suggestion of President Obama although there was no direct request.

Cancel Culture is defined as ““the deliberate de-platforming or ultimate unemployment of an individual for views fraudulently held to be outside an increasingly turbulent public square,”, In other words, you will be excluded from society for not conforming to the extreme lefts beliefs of how society should be. It's goal is to disassemble the First Amendment, which gives us the right to free speech.

The following people in this short list were canceled by the left for expressing conservatives views which is their right under the Constitution. Gina Carrano Disney Star was fired for comparing the current political climate to Nazi Germany, John Gibson of Tripwire was fired for supporting prolife legislation in Texas, Nathan Sylvester an Idaho Police Officer fired for mocking NBA star LeBron James, Kieran Bhattacharya a UVA medical student was banned from campus for questioning the definition of microaggressions in a panel discussion, Peter Vlaming a West Point High School French teacher was fired for not using proper trans pronouns and Timothy Gordon a Garces Memorial High School teacher was fired for calling Black Lives Matters a terrorist organization.

They have also been targeting President Trump for the past decade with audits. Lots of grey areas in the tax laws will keep him tied up in audits for quite a while. Resident Biden also plans to beef up the IRS, using \$80B in funds to increase the amount of IRS agents. People are understandably upset about the increase because of President Obama's IRS scandal of targeting conservatives.

#### 10. Relax Borders & Flood Illegals

The New World Order Cabal also has their hands in America's destruction as well as a plan for world domination and depopulation. George Soros Open Society Foundation through Southern Poverty Law Center SPLC funds MS-13 and create border atrocities like kids in cages, separating parents from children. MS-13, ISIS/terrorists, drug cartel members and traffickers make up the bulk of caravans that come through the borders because of loopholes in laws. MS-13 is based mostly out of El Salvador, Mexico, Guatemala and Honduras. They have also come in from the middle east from places like Yemeni prisons. Hundreds have been convicted of murders as well as federal racketeering charges which would also indicate an alliance with a cabal.

They use the women and children to get in our southern border. Soros and the Democrats send MS-13 to strategic areas like sanctuary cities such as Chicago, New York and throughout the country. Immigration and Customs Enforcement indicate that MS-13 are murderers, human/drug/sex traffickers and they practice Satanic sacrifices.

President Trump built a wall to protect our southern border with Mexico, to stop trafficking of guns, drugs and humans and to stop gangs and terrorists. He had “tough on crime” policies and wanted to take down those international criminal organizations. Attorney General Sessions swore to aggressively support President Trump’s plan to take on international criminal organizations, cartels and gangs. The caravans include MS-13, ISIS, terrorists, drug cartel members and traffickers, that come through the borders because of loopholes in laws. MS-13 is based mostly out of El Salvador, Honduras, Guatemala, and Mexico. Hundreds have been convicted of drugs and murders as well as federal racketeering charges.

President Trump has spent \$5.5 trillion dollars in funding for the southern border wall with Mexico, infrastructure was included in the 2017 Tax Cuts and Reform Act for (FY2019) and the US Army Corp of Engineers built the wall. This was planned in advance using the Constitution and matters of National Security, to bypass any plan for open borders, the elimination of ICE, Border Patrol and defending illegals over Americans. Attorney General Sessions supports the need for a wall as it will create better border reinforcement and deportments will be quicker. As of January 2021, 400 miles of border wall has been built and illegal crossings were down 87%.

President Trump also says that immigration effects our Mexico border security. Chain migrations including terrorists and gangs come in under failed immigration policies. These groups bring violence, murder and human trafficking as well as weapons and drugs into the country. We need a merit-based system where immigrants come into the country legally and close immigration law loopholes. Increase in fair immigration judges and decrease in backlogs will help it run more efficiently as well as supporting applicants that will respect our laws and institutions. President Trump has also mentioned Sanctuary Cities in areas like Denver or Philadelphia that harbor illegal immigrants and limit local law enforcement in cooperating with Federal Immigration officials on matters, essentially omitting Immigration and Customs Enforcement ICE from the process. He also ended Catch and Release which returned Illegal immigrants to their home countries and worked with Mexico to dismantle human smuggling rings.

Legal and illegal immigration will ultimately shift 26 congressional seats by 2022, pulling them away from mostly red states and redistributing them into blue states like California and New York. Red states with Democratic governors have slowly been taking in refugees to their states. Allowing to beef up their budgets as well as distribute immigrants throughout the country more evenly. Alabama, Arkansas, Georgia, Idaho, Indiana, Iowa, Kentucky, Louisiana, Mississippi, Missouri, North Carolina, Oklahoma, South Carolina, Tennessee, Utah, West Virginia, Minnesota, Wisconsin and Rhode Island will all lose one seat. Ohio will lose 3 seats, Michigan and Pennsylvania will lose 2 seats. This shift will put a lot more political power into Democratic hands.

Under President Trump's administration, the Department of Homeland Security DHS blocked 4 million pounds of hard drugs coming in across the southern border with Mexico in 2017. In FY 2019, US Customs and Border Protection CBP seized 12,466 pounds of opioids and 3,688 pounds of fentanyl. It seized 10kg of heroin and the Department of Justice DOJ dismantled 3000 drug trafficking organizations including major drug indictments of the Chinese, India and Mexico. In 2019, 142,000 pounds of methamphetamine was seized. Since Biden took office the smuggling numbers have dramatically increased as well as the amount of illegal immigrants. Reversal of Trump's policies like Remain in Mexico have caused recent polls to show discontent with the Biden administration.

Weather Modification to create global warming narrative, disasters to get emergency funding for their "projects". Storms to hide missile attacks. Climate change is an illusion, it is caused by weather modification systems like High Frequency Active Auroral Research Program HAARP. Scientists created Geoengineering it to "combat" climate change by manipulating and removing carbon dioxide from the atmosphere. HAARP claims to be investigating the ionosphere. UAF's Brian Rogers and Dr. [BOB] McCoy, Director, Geophysical Institute, transferring the powerful upper-atmosphere research facility from the military to the university.

Q3471- Bigger than most realize. [Be Ready], [BOB]

Al Gore, the author of *An Inconvenient Truth* about the severity of climate change and how dire the situation is, was wrong. He did, however, make a ton of money over the years continuing to poach the idea. He is also a hypocrite for using private jets to fly all over the world giving speeches about global warming.

The earth has been cooling and warming since records could be kept on it. This includes powerful storms, floods, droughts, heat waves and blizzards. All normal weather. Climate change has turned into another political divider, as long as we are divided we can't see the truth in front of us. The Elitist United Nations and their Agenda 21 are the main backers behind this climate change extremist agenda. If it is supported it would give the UN authority over the entire world.

Climate activist Greta Thornburg is just another George Soros actor, supported by “One Foundation” which is funded by Soros, Bill and Melinda Gates, Bono and a host of other celebrities. Her family has ties to the freemasons and Bavarian Illuminati founder Adam Weishaupt. Her propaganda is just one more avenue the UN is using to dupe the world on Climate Change.

Another Soros hoax is the Green New Deal. It calls for public funding for “green” items like expanding wind and solar, weatherizing buildings or reducing climate emissions. But woven inside the deal is the “peoples bailout” which includes democrat wish list items like healthcare for illegal immigrants, \$15 minimum wage, government regulation of private companies to ensure “worker representation”, improved union group bargaining. As an added bonus every citizen gets a cash stimulus payment if they accept the deal.

NASA and NOAA were caught deliberately falsifying historical temperature data to support this climate narrative. They have been making the data in the past show much colder temperatures and data in the present much warmer. NOAA’s US Historical Climatology Network USHCN was updating computer models with fabricated temperature data.

A petition was created about the climate change hoax and 31,479 United States scientists, 9,029 of which are PhDs, have signed it so far. The summary of the petition is "The purpose of the Petition Project is to demonstrate that the claim of "settled science" and an overwhelming "consensus" in favor of the hypothesis of human-caused global warming and consequent climatological damage is wrong. No such consensus or settled science exists. As indicated by the petition text and signatory list, a very large number of American scientists reject this hypothesis."
